Voting Rights

The below information is provided as a summary for shareholders. It is not inclusive of all provisions of the articles of incorporation of the Company (the "Articles") and may be paraphrased.

Shareholders should review the Articles in detail, which are available from the Company's website at www.apaxglobalalpha.com/investors/results-reports-presentations.

As at 5 March 2024 (being the last business day prior to publication of this document) the Company's issued share capital consisted of 491,100,768 ordinary shares of no par value, carrying one vote each. Therefore, the total voting rights in the Company as at 5 March 2024 are 491,100,768.

The provisions for proceedings for voting at the annual general meeting and rights as to the votes of shareholders are included in articles 20 and 21 of the Articles respectively. Shareholders are encouraged to review these provisions before casting their vote, appointing a proxy and/or attending the AGM.

A shareholder shall not be entitled in respect of any share to take part in any proceedings or vote at any general meeting or class meeting of the Company or to exercise any right conferred by membership:

- (i) unless all calls due from that shareholder in respect of their shares have been paid;
- (ii) unless that shareholder has been registered as the holder of such shares; and
- (iii) if so determined by the Board, any shareholder who has failed to comply with a notice requiring the disclosure of shareholders' interests and given under article 10 of the Articles, as set out in article 21.2 of the Articles.

Unless one of their number has been elected to represent them and to vote whether in person or proxy in their name, joint registered holders whose name stands first on the register of shareholders of the Company shall alone be entitled to vote.

Your Right to Appoint a Proxy

Pursuant to the Articles and the Company Law:

- (i) a shareholder is entitled to appoint another person as his proxy to exercise all or any of his rights to attend and speak and vote at a meeting of the Company.
- (ii) a shareholder may appoint more than one proxy in relation to a meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder.
- (iii) the appointment of a proxy shall not preclude a Member from attending and voting in person at a meeting or poll concerned, subject to article 21.12 of the Articles.
- (iv) a proxy need not be a shareholder and an instrument of proxy may be valid for one or more meetings.

The instrument appointing a proxy and the letter of representation or other authority (if any) under which it is signed, or a copy of that representation or authority certified notari ally or in some other way approved by the Directors shall, whether in writing or in electronic form, be deposited at the registered office of the Company or, if in electronic form, to such address as specified in this document, not less than 48 hours before the time for holding the AGM, or any adjournment thereof, at which the person named in the appointment proposes to vote.

Proceedings for Voting at the AGM

The Directors present at the AGM shall propose to elect one of their number as chairman for the purposes of the AGM. This will usually be the chairman of the Company, or in his/her absence, the senior independent director, or if one is not appointed, the chairman of the audit committee of the Board, or in his/her absence, any other Director or shareholder present at the AGM.

In accordance with article 20.3 of the Articles the chairman of any general meeting shall be either:

- (i) the chairman of the Board;
- (ii) in the absence of the chairman, or if the Board has no chairman, then the Board shall nominate one of their number to preside as chairman;
- (iii) if neither the chairman of the Board nor the nominated Director are present at the meeting then the Directors present at the meeting shall elect one of their number to be the chairman;
- (iv) if only one Director is present at the meeting then he shall be chairman of the general meeting; or
- (v) if no Directors are present at the meeting then the Members Present In Person shall elect a chairman for the meeting by an Ordinary Resolution.

Two Members Present In Person (such term as defined in the Articles) shall be deemed to form a quorum for the purposes of the meeting. If within thirty minutes from the time appointed for the meeting a quorum is not present, the meeting shall stand adjourned for five Business Days (such term as defined in the Articles) at the same time and place or to such other day and at such other time and place as the Board may determine.

A resolution put to a vote shall be decided by a show of hands or by a poll at the option of the chairman. Nevertheless, a poll may be demanded by:

- (i) the chairman; or
- (ii) not less than five shareholders having the right to vote on the resolution; or
- (iii) one or more of the Members Present In Person representing at least ten per cent. of the total voting rights of all of the Members having the right to vote on the resolution.

The demand for a poll may be withdrawn. In the case of an equality of votes, the chairman shall have a second or casting vote in addition to any other vote he may have. Unless a poll is demanded, a declaration by the chairman that a resolution has on a show of hands been carried or lost and an entry to that effect in the minute book shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded.

Format of the Annual General Meeting and Attendance

Shareholders may decide to participate in the AGM by attending in person or appointing a proxy to vote on the resolutions set out in the notice of AGM.

All resolutions for consideration at the AGM will be voted on by a show of hands, and all proxy votes cast will count towards the vote.

Shareholders will be able to listen to the AGM by registering via the below link.

www.lsegissuerservices.com/spark/ApaxGlobalAlphaLtd/events/8d64218d-2b50-4c13-82e7-937e1f5b6a2f

It will be necessary to verify the identity of any shareholder wishing to listen to the AGM using this link. Please note that identification documents may be requested in advance via email prior to dial-in access codes being issued.

The Board considers that beyond voting on the formal business of the meeting, the AGM also serves as a forum for shareholders to raise questions and comments on any of the Resolutions to the Board. Registered shareholders may submit such questions by email to the Company Secretary at: AGA-admin@aztecgroupp.co.uk by 10.15 AM on 29 April 2024. Any questions relevant to the business of the Company may be addressed in a Question and Answer session that will immediately precede the AGM or if this is not possible, subsequently via e-mail.

How the Outcome of a Resolution is Determined

In accordance with the Articles and the Company Law, the number of votes used to calculate the requisite number of votes required to establish whether a proposed resolution has been passed is determined by reference to the total number of votes cast at the AGM and not by reference to the total number of shares in issue which carry voting rights.

The total number of votes used to calculate whether a proposed resolution has been passed will be determined by reference to the total number of votes cast for or against the resolution at the AGM. Discretionary votes may be voted in favour of a proposed resolution by the chairman of the AGM. A vote withheld is not a vote in law and will not be used in this calculation.

The requisite number of votes cast at the AGM required to pass certain types of resolutions are set out as follows:

- (i) Ordinary Resolutions – a simple majority, more than 50%;
- (ii) Discontinuation Resolutions – at least two thirds, 66.66%; and
- (iii) Special Resolutions – at least 75%.

Nature and Purpose of the Proposed Business of the AGM

Please contact investor_relations@apaxglobalalpha.com and AGA-Admin@aztecgroup.co.uk should you have any queries or require any additional information in respect to the proposed business of the AGM.

Adoption of the Annual Report

If this ordinary resolution is passed, Members shall be deemed to have adopted, and to have received, the contents and statements included within the Annual Report, including the reports of the Directors and the Auditor, accordingly the requirements under section 252 of the Company Law will be met.

Directors Remuneration Policy

The Company's remuneration policy is that the fees payable to the Directors should reflect the time they spend on the Company's affairs and the responsibilities they bear.

The fees should also be sufficient to attract, retain, and motivate Directors of a quality required to run the Company successfully. The Board as a whole considers matters relating to the Directors' remuneration and it is satisfied that any relevant issues that arise can be appropriately considered by the Board or by the Company's shareholders at AGMs.

If this ordinary resolution is passed, Members shall be deemed to have approved, and to have received the contents and statements as included within the Directors Remuneration Policy.

Directors Remuneration Report

In accordance with article 23.2 of the Articles, the Board is authorised to fix the fees of the Directors (other than any alternate Directors) for their services, subject to an overall cap of £395,000 per financial year on the aggregate fees (such fees being distinct from any salary, remuneration for any executive office or other amounts payable to a Director pursuant to any other provisions of the Articles). The Board intends to fix the Directors' fees for 2024 in accordance with article 23.2. The total of Directors' fees (and expenses) paid for 2023 are disclosed in the Annual Report, and are summarised below.

Total (GBP)	325,500	4,902

*Chris Ambler retired as a Director of the Company on 1 March 2024.

Re-appointment of the External Auditor

If this ordinary resolution is passed, the external auditor shall be re-appointed to hold office until conclusion of the next annual general meeting and may, unless such office becomes vacant before then, be eligible for re-election at that annual general meeting, in accordance with article 40.7 of the Articles.

Evaluation of the External Auditor

During the financial year ended 31 December 2023, the chairman of the Audit Committee led a review of the performance, suitability and independence of the external auditor and, upon conclusion of that review, the Audit Committee recommended to the Board the re-appointment of the external auditor.

Proportion of non-audit fees paid to the External Auditor

During the year 1 January 2023 to 31 December 2023 the proportion of fees paid to the external auditor for the provision of audit and non-audit services

was as set out in the table below. Further information is available in the Annual Report.

The Board have put in place a policy on the provision of non-audit services, a summary of which is available on the Company's website at www.apaxglobalalpha.com/investors/results-reports-presentations/ in the summary of policies document.

	Total Fee Payable (EUR)	Proportion of total fee (%)
Statutory audit	195,000	72%
Other assurance services – interim review	59,000	22%
Tax services	-	-
Other non-audit services	17,000	6%

Authorisation for the Board to Negotiate and Fix the Remuneration of the External Auditor

If this ordinary resolution is passed, the Board shall be authorised to negotiate and fix the remuneration of the external auditor for the financial year ended 31 December 2024, in accordance with article 40.5 of the Articles. The Board shall have due discretion to the appropriateness of such remuneration.

Election and Re-election of Directors

In accordance with article 22.3 of the Articles, each Director at the date of the Notice convening the AGM shall retire from office and may offer themselves for election/re-election by the Members. Each Director has so retired and may offer themselves for election/re-election.

If this Ordinary Resolution is passed, the relevant Director shall therefore be elected/re-elected to continue to hold office as a Director of the Company until conclusion of the next annual general meeting, unless such office becomes vacant before then, in which case a casual vacancy shall be filled in accordance with the Articles.

Where any shareholder may intend to vote against the election/re-election of a Director, the Directors encourage shareholders to discuss their intentions and rationale for doing so with the Chairman, prior to casting their vote. If such vote is against re-election of the Chairman, shareholders are invited to discuss their intentions and rationale for doing so with the senior independent director or the Company Secretary.

Approval of the Company's Dividend Policy

Under the Articles, the Board is authorised to approve the payment of dividends without the prior approval of the Company's shareholders. However, having regard to corporate governance best practice and feedback from the Company's shareholders, the Board has decided to seek express approval of its dividend policy on an annual basis.

The dividend policy is set out on page 12 of the prospectus of the Company dated 22 May 2015 (the "Prospectus"), a copy of which is available on the Company's website at www.apaxglobalalpha.com/investors/results-reports-presentations/, states that the Company is targeting the payment of a dividend equal to 5% of the Net Asset Value (such term as defined in the Prospectus) per annum.

The Company anticipates declaring a dividend in respect of each six-month period. The Company expects that the Board will decide whether to declare a dividend, and the amount of any such dividend, within two months from the end of each six-month period, with payment of any dividend to follow within one month of declaration.

The Articles permit the Board to offer a scrip dividend alternative to shareholders when a cash dividend is declared from time to time. The procedure for the offer of a scrip dividend is set out in the Articles and summarised on page 68 of the Prospectus. The Board does not currently propose offering a scrip dividend alternative to shareholders.

Shareholders and prospective investors should note that the dividend policy should not be taken as an indication of the Company's expected future performance or results over any period and does not constitute a profit forecast. It is intended as a target only and there is no guarantee that it can or will be achieved. No reliance should be placed on the dividend policy in deciding whether to invest in the Company.

If this Ordinary Resolution is passed, the current dividend policy of the Company will continue.

Share Buy Back Authority

If this Special Resolution is passed, the Company shall continue to be authorised to make market acquisitions of its own shares in accordance with section 315 the Company Law, on the basis set out in the Prospectus (Part X: 2.5). Purchases of ordinary shares will be made within guidelines established from time to time by the Board. Any purchase of ordinary shares would be made only out of available cash resources of the Company.

Ordinary shares will be repurchased only at prices (after allowing for costs) below the net asset value per ordinary share, which should have the effect of increasing the net asset value per ordinary share, thereby benefitting remaining shareholders. The Directors would consider holding as treasury shares any ordinary shares which the Company purchases pursuant to the authority proposed to be granted by resolution. In relation to any repurchased ordinary shares held in treasury, unless such ordinary shares are subsequently cancelled, earnings per ordinary share will only be increased on a temporary basis until such time as the ordinary shares are subsequently sold out of treasury. The Company has not re-purchased any shares during the previous authority period. The authority granted to the Company as outlined above is common practice within the investment company sector, providing the Company with an additional mechanism which is in the interest of the Company's shareholders.

Waiver of Pre-emption for Limited Issue of Ordinary Shares

If this Special Resolution is passed, the Company shall be able to issue Ordinary Shares or equity securities up to the maximum amount as specified in the form of proxy, without having regard to the pre-emption provisions that are set out in article 6.2 of the Articles.

Discontinuation Resolution

Capitalised terms used in this section of this document not otherwise defined shall have the meanings given to them in the Prospectus of the Company dated 22 May 2015. The Company has no fixed life, but, pursuant to Article 49 of the Articles, every three years, a resolution (requiring 66.66 per cent of votes cast to pass) on whether to put forward proposals to wind up, liquidate, reconstruct or unitise the Company will be proposed by the Board at the Annual General Meeting of the Company (the "**Discontinuation Resolution**").

If the Discontinuation Resolution is passed, a general meeting shall be called no later than 180 days after the date of the conclusion of the AGM, at which a proposal regarding the manner in which the Company should be wound up, liquidated, reconstructed or unitised shall be considered.

The Directors recommend voting against the discontinuation resolution.

The Board considers that the Discontinuation Resolution is not in the best interests of the Company and its shareholders as a whole. The Board recommends voting against the Discontinuation Resolution, which all of the Directors intend to do in respect of their own beneficial holdings.

Conclusion

I trust that you have found this letter informative and useful. Please provide any feedback that you might have to investorrelations@apaxglobalalpha.com and AGA-Admin@aztecgroup.co.uk as we seek to continually improve the quality and content of reporting to our shareholders.

I am pleased to inform you that the entire Board holds shares in the Company. The Board considers that resolutions 1 to 13 to be proposed at the meeting will promote the success of the Company, and are in the best interests of it and its shareholders as a whole. The Directors unanimously recommend that you vote in favour of those resolutions and they intend to do so in respect of their own beneficial holdings of shares in the Company.

The Board considers that resolution 14, the Discontinuation Resolution, is not in the best interests of the Company and its shareholders as a whole. The Board recommends voting against the Discontinuation Resolution, which all of the Directors intend to do in respect of their own beneficial holdings.

Yours faithfully

Tim Breedon CBE | Chairman

Appointment of a proxy does not preclude you from attending the meeting and voting in person. If you have appointed a proxy and attend the meeting in person, your proxy appointment will automatically be terminated.

If you appoint more than one proxy, each proxy must be appointed in respect of a specified number of shares within your holding, and only one proxy may be appointed in respect of any one share within your holding. If you wish to do this, each proxy must be appointed on a separate Form of Proxy. When appointing more than one proxy you must indicate the number of shares in respect of which the proxy is appointed to the right of the name of the shareholder at the top of the Form of Proxy, and whether, by ticking the box provided, the proxy instruction is one of multiple instructions being given.

The Form of Proxy must, in the case of an individual, be signed by the appointor or their agent or attorney duly authorised in writing, or in the case of a corporation, either be under its common seal or be signed by an officer or attorney or other person duly authorised to sign the same. Any letter of representation or any other authority under which this Form of Proxy is signed (or a duly certified copy of such power or authority) must be included with the proxy form.

To direct your proxy how to vote on the resolutions mark the appropriate box with an 'X'. Please note the "vote withheld" option is provided to enable you to abstain on any particular resolution. However, a "vote withheld" is not a vote in law and will not be counted in the calculation of the proportion of the votes "for" and "against" a resolution.

If the Form of Proxy is returned without an indication as to how the proxy must vote on a particular matter or if you select the "Discretionary" option, or, if further matters are raised at the meeting, the proxy will exercise his discretion as to whether, and if so how, he votes.

Pursuant to Regulation 41 of the United Kingdom's Uncertificated Securities Regulations 2001, entitlement to attend and vote at the meeting and the number of votes which may be cast thereat will be determined by reference to the Register of Members of the Company at the close of business on 29 April 2024 (or, in the event of any adjournment, at the close of business on the date which is 48 hours before the time of the adjourned meeting discounting any day that is not a working day). Changes to entries on the Register of Members after that time shall be disregarded in determining the rights of any person to attend and vote at the meeting.

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by utilising the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (a "**EUI**") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the Company's agent ID RA10 by 11:15 AM (UK time) on 29 April 2024. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the Company's agent is able to receive the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy.

The form of proxy follows overleaf.
