Dear Shareholder,

Important Information Regarding Communications with Shareholders

Article 42 of the articles of incorporation of Apax Global Alpha Limited (the "**Company**") adopted by special resolution dated 21 May 2015 (the "**Articles**") provides that a notice, document or other information may be given by the Company to any Member, where appropriate, by publication on a website in accordance with the Articles. By virtue of the Articles, shareholders are deemed to have consented to the publication of such information on the Company's website.

These provisions allow the Company to be more conscious of its impact on the environment, by reducing production and distribution costs, as well as reducing waste and pollution.

Annual reports, notices of shareholders meetings and other shareholder circulars or documentation that are required under applicable law to be sent to shareholders are published and available from the Company's website at www.apaxglobalalpha.com (Investor Centre – Results, reports and presentations).

This does not preclude your right to request (at no charge) hard copy versions of shareholder information.

- If you wish to receive shareholder information by means of our website, no further action is required. You will be notified by post when shareholder information is placed on the website (although please see below the option to receive communications by email, rather than by post).
- If you wish to receive shareholder information in hard copy form, you should complete and sign the reply slip at the foot of this letter, detach and return it in an envelope to: FREEPOST SAS, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL by 2 April 2025.
- If you do not reply within 28 days from the date of despatch of this letter, you will be deemed to have continued to consent to website publication of shareholder information and you will no longer receive hard copies in the post.

Shareholders are encouraged to utilise the facilities and information available on the Company's website as a means to access a wide range of information which may be of interest to you; such as the latest share price, press releases and the annual report and accounts.

Email Communications

The Company would be delighted to be able to provide notice of the publication of shareholder information on its website to members by email communication, rather than by written notice, in furtherance of the desire to reduce the environmental impact of the Company's activities.

Members who are comfortable to receive email communications from the Company should complete the form overleaf and return it in an envelope to: FREEPOST SAS, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL. Alternatively, you can register your communication preference via the Registrar's website at <https://www.signalshares.com/>.

Should you have any queries or require any additional information, please do not hesitate to contact the Company at investor.relations@apaxglobalalpha.com.

Yours sincerely,
